

St. Thomas Aquinas Church and Catholic Student Center GUIDELINES FOR COMMUNITY OUTREACH GRANTS

Jesus in the gospel gives us the commission to do as he did. We express this in loving action for the poor, the disadvantaged, suffering and oppressed by supporting social service and social action to bring about a more just society. In the long range plan for social justice from the Archdiocese of Dubuque, we read:

We must act with justice and love in our local parish....We must listen to the voices which speak to us of human need and grow in sensitivity to and awareness of the challenge of injustice which exists locally. This awareness must lead to action on behalf of the poor, the disadvantaged, the suffering and the oppressed. In our local parishes we must commit our resources of prayer, time, talent, and money.

In response to Jesus' call, our parish moved toward action by adopting the following goals:

1. Raise the consciousness of individuals to local, national, and international needs.
2. Allocate funds to alleviate poverty and human suffering.
3. Inform the parish of human needs identified within the community.
4. Encourage people to volunteer their time, talent, and money.

To implement these goals, 7¹/₂% of the weekly collection goes toward the Love Your Neighbor Fund and Community Outreach Tithe.

1. The monthly collection will include envelopes and loose change.
2. The monthly collection will not include special envelope collections, such as Catholic Charities and the Campaign for Human Development, nor alumni nor parent contributions.
3. The amount for each year's budget line for Community Outreach/Love Your Neighbor for the next fiscal year will be calculated on the basis of the collection received in the previous fiscal year. (E.g., the 2008-2009 fiscal year amount will be based on the actual income for the 2006-2007 fiscal year.)
4. Disbursement began in January 1984 at 5%. In 1989, this was raised by a decision of parish council to 7% and in 1991, it was further raised to 8%. In 1994, because of budgetary constraints, it was changed to 7¹/₂% (4% to Love Your Neighbor, 3¹/₂% to Community Outreach).

DISBURSEMENT

Tithe amounts for Love Your Neighbor are disbursed according to the guidelines set forth by that Fund to meet immediate needs of people in Story County.

The Community Outreach Tithe Committee uses this application process to distribute half the remaining funds to agencies within Story County and the other half outside the county.

Both funds are deposited in the Love Your Neighbor checking account.

Donations made to the Love Your Neighbor Fund by individuals will be used solely for the work of the Love Your Neighbor grants to individuals in need, based on the procedures set up for the Love Your Neighbor Fund.

COMMUNITY OUTREACH TITHE COMMITTEE GENERAL PROCEDURES

1. Funds may be requested only by members of St. Thomas Aquinas Church and Catholic Student Center for agencies, individuals, or special causes. (Applications for January to June should be received by November 1 of the previous year; applications for July to December should be received by the prior April 1.)
2. The committee will be selective in granting funds.
3. An application form obtained from the St. Thomas Aquinas office will normally be required for each request. With the agreement of the Community Outreach Tithe Committee, some ongoing recipients of grants may not be required to submit a proposal for each grant period but will be asked to provide a request every two years. The Committee will review this procedure each year at their spring meeting.
Long standing applicants and new applicants will be given equal consideration in allocation of funds.
