St. Jude Scholarships, \$1,500 (7 available) – For full time juniors and seniors studying on campus in Ames for the entire academic year. Awarded on the basis of past and future service to the STA community. The hope of the selection committee is that the scholarship will help a candidate contribute time to the STA community that might otherwise have to be spent generating funds for school expenses. Other considerations are the perceived Christian commitment of the candidate, GPA, and need; in that order.

Hemann Scholarships, \$1,500 (3 available) – For full time students who are actively discerning a call to lay, religious and/or ordained ministry, demonstrated by service to the STA community and participation in discernment retreats, groups and other activities.

Stritzel/Homer Scholarships, \$1,000 (1 each available) –For Agronomy and Mathematics Majors. Any scholarships not taken by same would be available to other majors taking at least one course in either of these respective disciplines.
