Spring Appreciation Event

- Everyone agreed to a fall Parish Potluck Event
- Possible dates: Oct 6, Oct 20, Sept 29
- Although Oct 6 was our first choice, Antioch and parish Clean-up are presently scheduled that day – for now have scheduled the potluck for **October 20 after the 4:45 Mass**
- Family event
- Will give it heavy promotion starting in September
- Location to be decided later: either lower lounge or upper parking level – both have their advantages
- Will need a member to be event coordinator – will ask someone to take this on at next meeting

Name Tag Sundays

- June 9/10
- September 29/30

Stewardship Bulletin Feature

- We will spell out the word “stewardship” over 11 weeks.
 - Each member of the team will take one letter and write a short article on a word that exemplifies a stewardship lifestyle. i.e., S = service, T= teamwork, E = evangelization, etc...
 - Will begin with June 2/3 bulletin
 - **Deadline for submissions is May 29 at 5pm**

S = Dave D = Bobby
T = Rose S = John
E = Bob H = Russ

Goals

- Seek new members – preferably younger who can share their needs, experiences, and desires from the parish and give our team a better cross-section of the parish family
- Personal invitations over generic invites
- Perhaps have a “recruitment month”

The BIG Questions

- Anyone willing to be committee chair for the coming year?
- If we have a chair, they become a rep to the Pastoral Council for a year.
- If we don't have a chair, anyone willing to be rep to Pastoral Council for the next year?
- These questions to be answered in May!!

Archdiocesan Pastoral Study Day

- Mary shared her experience and the handout “The Vision for Stewardship in Your Parish” (attached)

Next meeting: Tuesday, May 14 (3rd Tuesday) at 4:00pm

The Vision for Stewardship in Your Parish

Use the Appreciative Process worksheet to discern your next steps to form your parish as a community of disciples who are growing as good stewards. Following this discussion, lay out your plan in calendar format. Be mindful to be reasonable— only plan what can be accomplished in a year.

Plan for incremental growth over time.

The Vision for Stewardship Leadership	Discover "What is working?" Be attentive	Dream "What could be?" Be intelligent	Discern "What should be?" Be realistic	Do "What will be?" Be responsible Who, what, when, how, how will it be measured?
