 - a. Attending, John Stafford, Steven Mahoney, K'Lynn Lynn, Mike Krapfl, Bobby LeBlanc, Russell Scott, Amber Upah.
 - b. Absent: Holly Carter, Bob Gelina, Rose Martin
- II. PRAYER:
 - a. John Stafford started the meeting with a reading.
- III. APPROVE MINUTES:
 - a. Minutes of previous meeting were approved
- IV. OLD BUSINESS
 - a. REALM and Electronic Giving – Bobby inquired with other organizations/parishes who use REALM and asked about their experience with REALM and success in getting members to register. Their experience is the same as ours in terms of getting membership to register. General feeling is that parishioners don't see a benefit. Mixed feelings about how well or much it will be used or benefit the parish. Is it Stewardship's role to promote electronic giving?
 - b. Parish Council Representative – Steve Mahoney has agreed to serve as representative for the next year.
 - c. Name Tag Sunday – John communicated with Fr Kyle and Fr was OK with having the event. Will ask Rose to coordinate the scheduling of people to work the name tag tables. Date set for July 10th.
 - d. Refreshments after Mass – coincide with name tag Sunday. Kona Ice too expensive. Stewardship will provide frozen treats after each Mass that weekend. Two new staff members will be starting on July 1 so hopefully we can encourage them to attend all Masses that weekend to meet parishioners. Russ & Mike will check on pricing and types of frozen treats to hand out.
- V. New Business
 - a. What should the next One More for 21 project or idea be? Tabled.
 - b. What can we do as a group to grow? Each of the next 4 meetings we can read one section and take time to reflect.
