

## Stewardship Ministry Team Meeting Notes September 19, 2017

**Present:** Bobby LeBlanc, Bill Bergan, John Stafford, Russ Scott, Rose Martin Bob Gelina,  
K'Lynn Lynn, Dave Austin

### PRAYER

Bobby opened with prayer.

### 2017 Sacrificial Giving Appeal

- Bill coordinating the appeal
- Weekend: November 11/12
- Surfaced names for possible people to give a reflection on giving
  - Bill & Bob will finalize the speakers
- Spent time emphasizing...
  - We need to think outside the box
  - We need to take advantage of all forms of communication available to us
  - Students need to hear and be addressed by the appeal
  - Need to focus on giving/support and not “dance around” the need to give
  - We may want to look at a year long communication effort leading up to the actual appeal weekend for 2018
- We will finalize the “take home” card at the October meeting
- “Take Home card” should be handed out at exits at the end of each Mass – people need to take something home from the appeal

### Name Tag Sunday: September 30/October 1

- Rose coordinating
- Bobby will have name tags and pens and sign-up tables set up before 4:45 Mass
- Name Tag tables in 3 locations: prayer garden hallway, upper pathway, at Gathering Space entrance

### Ongoing Bulletin Feature

- Pose 2 questions to parishioners:
  - Residents: *What would a college version of yourself need from a parish community?*
  - Students: *What should a resident know about college students at STA?*
- Everyone is asked to connect with a minimum of 2 or 3 parishioners (the more the better)
- Return answers to Bobby
- While we won't demand a photo of the person answering, it really is a very positive part of the bulletin feature to put names with faces and bridge some gaps
- The use of video responses for social media was suggested – but left unsure if that is a possibility?

**Next meeting: Tuesday, October 17 (3<sup>rd</sup> Tuesday) at 4:00pm**
